Deep Learning: Face Recognition

# Alok Yadav

Data Science and Machine Learning Expert  
Mumbai, Maharashtra, India

## Summary

Alok Yadav is Artificial Intelligence and Machine Learning expert. Currently Working on Cognitive Automation providing solutions using Deep learning. Providing data science solutions Data science on cloud platform- AWS, Azure. He is also a freelance data science trainer

Specialties: Random Forest , SVM , KMeans, CNN , RNN , LSTM , NLP, Keras, Tensorflow, Spacy , AWS , Azure

---

## Experience

Tata Consultancy Services  
Machine Learning Specialist  
January 2018 - Present  
Mumbai Area, India

machine learning,natural language processing,deep learning,sentiment analysis,text mining,pattern recognition,nlp,topic modeling,text classification,entity recognition,python,mongodb,neural ,tableau,spark,nltk,data analysis,nosql,Data Visualization, AWS, Sagemaker , Azure

UrbanPro.com  
Data Science & Machine Learning Tutor  
March 2019 - Present  
Mumbai Area, India

Python , Data Science , Machine Learning , Natural Language Processing , Artificial Intelligence , R , Tableau

<https://www.urbanpro.com/alokyadav>

Imarticus Learning  
Data Science Corporate Trainer  
November 2019 - Present  
Mumbai Area, India

- Data Science, Machine Learning program covered concepts and code in R and Python
- Data Science Prodegree program endorsed by GenPact

### Analytixpro

#### Data Science Trainer

July 2019 - December 2019 (6 months)

Hyderabad Area, India

Data Science with Python-Globally Recognized IBM Certificate

IBM Authorized Partner

--Python Essentials for Data Science

--Statistics for Data Science

--Data Science & Applied Machine Learning

### IMS Proschool Pvt. Ltd.

Data Science Trainer, IMS Proschool Private Ltd,

May 2019 - December 2019 (8 months)

Mumbai Area, India

Data Science Course:

# Business Analytics- -National Skill Development Corporation ( NSDC ) , NSE Academy and IMS

Proschool

# Post Graduate Diploma in Data Science- Govt Approved

# Certificate in Data Science- -NSDC & IMS Proschool

<https://www.proschoolonline.com/data-science-course>

### Verzeo

Machine Learning & Artificial Intelligence Instructor , Mentor & Project Guide

July 2019 - August 2019 (2 months)

Mumbai Area, India

Machine Learning with Python -Internship Program

--Microsoft Technology Associate (MTA) Completion Certificate on Python.

### Pace Career academy , Nidan Education & Skill Training

Freelance Data Science Trainer

October 2018 - June 2019 (9 months)

Mumbai Area, India

Well versed in ML and deep learning concepts like SVM, Decision tree , Random forest, Bagging, Boosting, Naive Bayes, Linear Regression , Logistic Regression , KNN , K Means, ANN, CNN, RNN , LSTM etc.

University of Mumbai

Project Guide

June 2012 - May 2019 (7 years)

Mumbai Area, India

Tata Consultancy Services

Senior Clinical Data Manager

June 2015 - December 2017 (2 years 7 months)

Mumbai Area, India

I worked as clinical data manager and was dealing with clinical trial data. My role involved Clinical

Data Management activities like discrepancy management, manual data review, lab

data management, query reconciliation using Oracle Clinical -SAS tool.

University Of Mumbai

Visiting Faculty

June 2012 - May 2015 (3 years)

Mumbai Area, India

Marketing Management

---

## Education

Liverpool John Moores University

Master of Science -M.Sc, Machine Learning and AI · (2019 - 2020)

International Institute of Information Technology Bangalore

PG Program-- Machine Learning & AI · (2019 - 2020)

SP Jain School of Global Management - Dubai, Mumbai, Singapore & Sydney

Professional Program in Big Data & Analytics, Machine learning ,Deep Learning, Data Science, Tableau, Hadoop , Spark , Natural Language Processing · (2016 - 2018)

University of Mumbai

Post Graduate Diploma in Applied Statistics, Multivariate Statistics- Market  
Research-Forecasting · (2010 - 2011)

University of Mumbai

MBA in Pharmaceutical Management, Pharmaceutical Sciences, Biostatistics  
in Clinical Research · (2009 - 2010)
